Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

\\[]

| Problem Statement (PS) | I am (Customer) | I'm trying to | But | Because | Which makes me feel |
|------------------------|--|------------------|------------------------------|------------------------|---------------------|
| PS-1 | I am practice scanning and observing water | Check the system | Should some alarm time later | Some problem in system | Cannot save people |

| | | | | | |
|------|--|------------------|---------------------------|-----------------------------|--------------------|
| PS-2 | I am practice scanning and observing water | Check the system | Should some alarm ringing | Sending the message in user | Can be save people |
|------|--|------------------|---------------------------|-----------------------------|--------------------|
